We are in search for a Video/Photographer would like to take videos and/or photos at events on and off the grounds so we can put together something to show at the Fair next year. If you have experience and would like to help please let a Board member know. You will receive work coupons for your work.

We have been having some issues with holes in the Pistol Building and cover over the firing ranges. Please keep guns pointed down range and at the target. Gun Safety at all times! We encourage members to police other members. Report something if it is not right, remind members of the rules. If someone is not following the posted rules, say something. Get their name and tell a board member. We need a safe club and everyone needs to do their part.

At the 50 Yard range please clip the gate closed and do not park too close range, it is too muddy and cars could get stuck. Thank you!
