## Work Bee:

- **Next work bee October 17<sup>th</sup> Please show up at 9:00am if you need work hours!**
- In order to keep our dues down we ask for volunteers for help around the club. This is a good chance for new members to get in their required work hours.

Hopefully many of you have been out to the 100 and 200 yard rifle range and have seen the improvements that have been made this year. We owe a special thanks to Kreigoff of Lenawee and Ervin Industries for their donation of the concrete slab and other building materials. We have a few more improvements planned for next year and to help finance those improvements we will be selling sponsorships on the benches. The cost of a sponsorship is \$200 and a sign will be placed on a bench naming the sponsor. So, if you're interested in the opportunity of shooting from "your" bench contact me at [sdurren1@comcast.net](mailto:sdurren1@comcast.net) or stop in at Johnson's Sporting Goods and ask for me.

**We have been having some issues with holes in the Pistol Building and cover over the firing ranges. Please keep guns pointed down range and at the target. Gun Safety at all times!**

**We encourage members to police other members. Report something if it is not right, remind members of the rules. If someone is not following the posted rules, say something. Get their name and tell a board member. We need a safe club and everyone needs to do their part.**
